

## **ENVIRONMENTAL POLICY STATEMENT**

The Precycle Group strives to work ethically and is proud to be the one of the fastest growing recycling groups in Europe. We recycle textiles, paper, cardboard, metals, plastics and electrical waste, and are 100% committed to pursuing corporate strategies designed to put environmental protection at the very top of our business goals and objectives.

Protection of the environment in which we live and operate is part of the Precycle Group's company values and principles and we consider it to be sound business practice. Care for the environment is one of our key responsibilities and an important way in which we do business.

In this policy statement we commit our company to :

- Complying with all relevant environmental legislation, regulations and approved codes of practice.
- Protecting the environment by striving to prevent and minimise our contribution to the pollution of land, air and water.
- Seeking to keep wastage to a minimum and maximise the efficient use of materials and resources.
- Managing and disposing of all waste in a responsible manner.
- Providing training for all our staff so that we all work in accordance with this policy and within an environmentally aware culture.
- Regularly communication our environmental performance to our employees and other significant stakeholders.
- Developing our management processes to ensure that environmental factors are considered during planning and implementation.
- Monitoring and continuously improving our environmental performance.

The policy statement will be regularly reviewed and updated as necessary. The senior management team endorses this policy statement and is fully committed to its implementation.
